

The Future of Education Summit

Official Program

The Future of Education Summit #FuturesEDU has been designed to engage educators, experts and industry leaders who are committed to supporting the next generation of students, to ensure they have the contemporary skills required to help them succeed in the rapidly changing world. With an action packed program, our attendees will be exploring ways that educators from across sectors can connect and collaborate to create impactful learning experiences for their communities.

Friday 31st July 2026
